**Quick Ship Program**

Need something really fast? Wausau Coated’s Quick Ship Program is a fast, economical way to purchase sheet-fed pressure sensitive products. This quick inexpensive alternative to custom manufacturing is perfect when time is of the essence. Oftentimes it’s less expensive than carton stock pricing and it helps reduce waste.

Product Code	Face	Adhesive	80# Liner	Net Width
QS9100	60# Uncoated	Perm	-SB-	26"

**Custom Sheet Program**

Looking for something different? Wausau Coated’s Custom Sheet Program allows you to **MIX and Match** to create the ideal pressure sensitive product to meet your needs. You choose the facestock, adhesive, and liner with the scoring and packaging options you need and the order will typically ship in 7-12 business days! Building a custom product is a great way to gain an advantage over your competition. Helping your customer design a product for their specific needs allows you to “lock-in” the business and develop a true partnership. Take advantage of what Wausau Coated’s Custom Sheet Program has to offer and see your business opportunities grow.
