## Facestock Specification

### 60# Recycled Vellum with 100% PCW

#### **FACESTOCK DESCRIPTION: 60# RECYCLED VELLUM WITH 100% PCW**

100% Recycled Vellum is the perfect “green” choice. This facestock uses the highest quality recycled fiber available to produce one of the brightest and whitest vellum facestocks made with 100% post-consumer fiber. It is excellent for high speed packaging lines and is a great stock for premium and eco-friendly labeling such as wine bottles, gourmet food, and beverages. It is FSC certified.
