

AQUEOUS INKJET MEDIA FOR MEMJET PRINT TECHNOLOGIES

ROLL STOCK LIST
February 2022

Wausau Coated

Experts in "What If..."

Memjet color print technologies provide remarkable speed and affordability for digital label printing. These technologies allow end users to produce in-house, short-run, high quality labels at lower operating cost. Wausau Coated offers an assortment of pressure sensitive roll products that are qualified specifically for printers using Memjet technology. The items listed below are stocked and ready to ship.

Select from several paper or film facestocks to fit your specific needs. For more information regarding these products visit www.wausaucoated.com or contact our Customer Service Department at 800-345-8039.
