

AQUEOUS INKJET MEDIA FOR NEURALABEL

ROLL STOCK LIST
February 2022

Wausau Coated

Experts in "What If..."

Wausau Coated offers an assortment of pressure sensitive roll products that are qualified specifically for the NeuraLabel 300X high-speed, variable-width On-Demand label printer. It is built on HP PageWide advanced printhead technology similar to that found in high-end digital press operations. The items listed below are stocked and ready to ship.

Select from several paper or film facestocks to fit your specific needs. For more information regarding these products visit www.wausaucoated.com or contact our Customer Service Department at 800-345-8039.
