ROLL STOCK LIST
November 2019

Experts in "What If..."

Muratec's PLS-2112 is a compact digital label system that provides the ability to produce high quality labels, on-demand. This technology allows end users to produce in-house, short-run, high quality labels at lower operating cost. Wausau Coated offers an assortment of pressure sensitive roll products that are qualified specifically for the Muratec PLS-2112 digital label system. The items listed below are stocked and ready to ship. For more information; visit www.wausaucoated.com or contact our Customer Service Department at 800-345-8039.
