This flocked red material combines the looks of suede and the richness of velvet, with unparalleled quality and consistency. It has great abilities for:

- Diecuts
- Foils
- Blind stamping

Decorative graphics and patterns can easily be applied to create distinctive, eye-catching labels for products across many applications. With amazing color depth and intensity you won't be able to keep yourself from the sensual feel it offers. Elevate your brand to a new level of luxury with this distinctive facestock.

For simple designs...
Touch it. Love it. So velvety and rich your brand can just show up and enjoy the "ooms and aahs."

For complex designs...
So textural and yet able to handle print details. Even complex and decorative graphics can be relied on to hold its own on our Flocked Marquee stock.

Print Suggestions:

- The cotton- and rayon-flocked material composition provides a plush feel, but is not smooth and contains loose fibers. Additional blanket cleaning may be required.
- To really get your graphics to pop on this material, consider using multiple hits of white ink or Indigo's One Shot technology.

For fun, use these sample stickers for attention-getting reminders on your calendar.
