DIE CUT PRODUCT GUIDE

LASER DIE CUT PRODUCTS

Whether your needs include high volume, ready-made materials or small quantities for custom order specialty products, Wausau Coated Products is your source for superior quality and cost effective pressure sensitive die cuts. Convenience, cost effectiveness and selection are the key features of Wausau Coated Products' Die Cut Label Line. Our 8½ x 11 laser line includes over 200 stocked die cut options which consist of permanent, removable and blockout adhesive options (laser compatible) and a 50# (3.2 mil) layflat liner. Stocking items can ship in as little as 1-2 business days. Digital die cuts in 12 x 18 sheet size on 80# liner are also part of the line.

Quick Cuts

Need a non-stocked item fast? Wausau Coated's Quick Cuts may be the perfect solution for you. Quick Cut products are those that utilize a stocked pressure sensitive listed on the following pages as well as a stocked die. Minimum order quantity is 1,000 sheets, in 8½ x 11 size only. Orders can ship in 3-5 business days.

Custom Die Cuts

Still not finding what you need? Wausau Coated also offers Custom Die Cut products. If utilizing a stocked pressure sensitive listed and a custom die, the minimum order quantity is 2,000 sheets with a leadtime of 10-15 business days. Sheet size is 8½ x 11. Die charge also applies. For true custom die cuts (custom pressure sensitive and custom die), the minimum is dependent upon the raw materials. Die charge also applies.
